

MAXIMUMWEEABOO 805 HD REMASTERED "OLDSCHOOL" ANIME RECOMMENDATIONS

[Rose of Versailles](#) – The beautifully animated tale of the dusk of the French monarchy.

[Patlabor](#) – Want cops in mechs? Start with the 7-episode OVA, and then the first 2 *Patlabor* movies. From there, you can watch *WXIII: Patlabor The Movie 3*, and if you still want more, then watch the TV series and *Patlabor: The New Files*.

[Gundam](#) – The movie trilogy provides the meat of the Gundam story without much fluff. From there, the standouts include *Gundam 0080: War in the Pocket*, *Gundam 0083: Stardust Memory*, *Zeta Gundam* and *Gundam: The 08th MS Team*.

[Outlaw Star](#) – Follow a scrappy “outlaw” group exploring space in a catty AI ship, in search of profit and the mystery of the Galactic Ley Line.

[Golden Boy](#) – Study, Study, Study this Very Educational show about a can-do traveller!

[Cyborg 009](#) – Making an exception for the 2001-2003 series.

[Urusei Yatsura 2: Beautiful Dreamer](#) – You do not need to watch the series to appreciate this film!

[GoShogun: The Time Etranger](#) – Mostly separate from the series its based on.

[Area 88](#) – Watch the original OVA. The tragic tale of an ace pilot fighting someone else’s war.

[Dirty Pair](#) – It’s about two famous lady detectives who fix things... in space!

[Excel Saga](#) – A hyperactive comedy that parodies a different anime genre in every episode!

[Gunsmith Cats](#), [Riding Bean](#) – These OVAs have it all: Guns, Cars, and they’re set in Chicago!

[Gunbuster](#) – The classic Gainax space opera. Short and sweet!

[Great Teacher Onizuka](#) – School is cool again! Onizuka will make your dreams come true.

[Lupin the III](#) – Gentleman thieves after the big score. It’s just about the challenge, honest!

[Nadia: The Secret of Blue Water](#) – Series, not film. A mystic steampunk undersea adventure.

[Serial Experiments Lain](#) – A look at the (on)line that doesn’t quite separate the living and the dead.

[Robot Carnival](#) – This series of nine short films gives anime the arthouse treatment.
